

“I discovered my love of math and science early on thanks to the dedicated and inspiring teachers of the GVSD. They helped to nurture my passion and continually challenged me to never stop learning. I carry those lessons with me to this day.”

Ashley Evans attended Bell Hill, Hennessy, Scotten, and Lyman Gilmore schools. She graduated from Cal Poly, San Luis Obispo with a Bachelor's degree in Aerospace Engineering, and is currently pursuing a Master's of Business Administration from the Foster School of Business at the University of Washington. She works for The Boeing Company in Seattle, WA as an Aerodynamics Engineer on commercial aircraft. Her work includes wind tunnel testing, flight simulation, and flight testing.
