P. 707-228-9357  
F. 888-812-8992

The DISTRICT is seeking proposals for wireless local area network equipment. Wireless local area network equipment will include: 146 Indoor access points, 6 outdoor access points, two point-to-point wireless bridges, and two controllers. See RFP for details.

Vendors submitting a proposal shall provide a statement of qualifications, be a licensed California contractor and shall comply with the State Labor Code, Federal Davis-Bacon. Federal and State prevailing wage rates may apply. Vendors are required to have a current E-Rate Service Provider Certification, must be a current participant and continue to participate for the duration of the project.

This project may be subject to monitoring and enforcement of prevailing wage requirements by the Compliance Monitoring Unit ("CMU") of the Division of Labor Standards Enforcement as set forth in Chapter 1 of Part 7 of Division 2 of the California Labor Code (commencing at section 1720) and the accompanying regulations at Subchapter 4.5 of Chapter 8 of Division 1 of Title 8 of the California Code of Regulations (commencing at section 16450) (collectively, "CMU Laws"). The DISTRICT, the successful proposer, and each subcontractor performing any portion of the work for this project shall comply with the CMU Laws.

"No discrimination shall be made in the employment of person(s) upon public works because of race, religious creed, color, national origin, ancestry, physical handicap, medical condition, marital status, or sex of such persons, except as provided in Section 12940 of the Government Code, and every contractor for public works violating this section is subject to all the penalties imposed for a violation of this chapter."
