RECITALS

WHEREAS, District conducted a best value selection process through a competitive request for sealed proposals to select a contractor to provide both pre-construction services and lease-leaseback construction services pursuant to and in accordance with Education Code section 17406, which resulted in the selection of Contractor as the successful respondent.

WHEREAS, Contractor and District desire to enter into a lease-leaseback arrangement for construction of the Project pursuant to Education Code section 17406, which arrangement will be documented by a Lease and Sublease with attachments, including, but not limited to, a Construction Services Agreement (collectively, “Lease-Leaseback Agreements”).

WHEREAS, Education Code section 17402 states that the District must have adopted the plans and specifications for the Project after approval of those documents by the Division of the State Architect (“DSA”), which must occur prior to entering into the Lease-Leaseback Agreements.

WHEREAS, Contractor desires to provide consulting services to the District with respect to reviewing the plans and specifications to identify and call out all deficiencies, incongruities and inconsistencies that may affect constructability of the Project including, but not limited to, design and specification omissions, incomplete and/or inconsistent plans, details and specifications, and any lack of coordination, together with all other appropriate, necessary and/or required services in accordance with the applicable standard of care, excluding only responsibility for the professional negligence of any licensed engineer or architect in the preparation of the plans and specifications (“Services” or “Pre-Construction Services”) to facilitate, and in preparation for, the successful development and construction of the Project.

WHEREAS, this is not an agreement for design-build services.

WHEREAS, Contractor represents that it has the knowledge and experience necessary to perform the Services set forth in this Agreement.

WHEREAS, the parties acknowledge that the Contractor and District anticipate negotiating and entering into Lease-Leaseback Documents which utilize a guaranteed maximum sum for complete construction of the Project, which guaranteed maximum sum will include the

fee provided herein, and the parties also acknowledge that the District may opt not to enter into Lease-Leaseback Agreements or otherwise proceed with the Project with or without Contractor, for any reason or no reasons, in District's sole and absolute discretion.

In the event of termination due to a breach of this Agreement by Contractor, the compensation due Contractor upon termination shall be reduced by the amount of damages sustained by the District due to such breach.

In the event a termination for cause is determined to have been made wrongfully or without cause, then the termination shall be treated as a termination for convenience in accordance with Article 6.1.2 below, and Contractor shall have no greater rights than it would have had if a termination for convenience had been effected in the first instance. No other loss, cost, damage, expense or liability may be claimed, requested or recovered by Contractor.

6.1.2 District shall also have the right in its absolute discretion, without cause, to terminate this Agreement in the event the District is not satisfied with the working relationship with Contractor following ten (10) Days prior written notice from District to Contractor. In the event that District chooses to terminate this Agreement for convenience, without cause, Contractor shall be compensated for all approved Services performed and all Approved Charges incurred pursuant to this Agreement supported by documentary evidence, including payroll records, and expense reports up until the date of the termination for convenience plus any sums due the Contractor for approved extra services. In addition to the compensation described above, the Contractor will receive a payment equal the payment of: (1) 3% of the Pre-construction Services Fee incurred to date if less than 50% of the Pre-construction Services Fee has been paid; or (2) 3% of the

remaining Pre-construction Services Fee if more than 50% of the Pre-construction Services Fee has been paid. This payment is agreed to compensate Contractor for any damages resulting from early termination and is consideration for entry into this termination for convenience clause.

6.2 CONTINUANCE OF WORK

In the event of a dispute between the parties as to performance of the Services by Contractor or the interpretation of this Agreement, or payment or nonpayment for Services performed or not performed, the parties shall attempt to resolve the dispute. The District and Contractor agree to seek, in good faith, a timely and equitable resolution of a dispute. All efforts will be made by both the District and Contractor to avoid any legal proceedings arising from a dispute.

However, pending resolution of a dispute, Contractor agrees to continue the Services diligently to completion and the District agrees to continue paying Contractor all undisputed compensation in accordance with Article 5. If the dispute is not resolved, Contractor agrees it shall neither terminate the Agreement nor stop the progress of its Services, but Contractor's sole remedy shall be to submit such controversy to determination by a court having competent jurisdiction of the dispute.

6.3 ABANDONMENT OF THE PROJECT

The District has the absolute discretion to suspend or abandon all or any portion of the Work on the Project and may do so upon fourteen (14) Days' written notice to Contractor. Upon notice of suspension or abandonment, Contractor shall immediately discontinue any further action on the Project or the abandoned portion of the Project, as applicable. If the entire Work to be performed on the Project is abandoned, the parties shall each be relieved of the remaining executory obligation of the Agreement, as it relates to the Project, but shall not be relieved of any obligations arising prior to said abandonment.

6.4 COMPENSATION IN THE EVENT OF TERMINATION, ABANDONMENT OR SUSPENSION

In the event the District terminates this Agreement for cause, abandons or suspends the Work on the Project, there shall be due and payable within thirty (30) Days following such termination, abandonment or suspension a sum of money sufficient to increase the total amount paid to Contractor to an amount which bears the same proportion to the Pre-construction Services Fee as the amount of Services performed or provided by Contractor prior to the time of such termination, suspension or abandonment of this Agreement bears to the entire Services Contractor is required to perform pursuant to this Agreement.

6.5 DELIVERY/OWNERSHIP OF DOCUMENTS

Upon termination, abandonment or suspension, Contractor shall deliver to the District all

documents and materials related to the Project. It is agreed that the District is the sole owner of all documents, schedules and materials concerning the Project.

ARTICLE 8
SUCCESSORS, SUCCESSORS AND ASSIGNS

This Agreement is binding upon and inures to the benefit of the successors, executors, administrators, and assigns of each party to this Agreement, provided, however, that Contractor shall not assign or transfer by operation of law or otherwise any or all rights, burdens, duties, or

obligations without prior written consent of the District. Any attempted assignment without such consent shall be invalid.

ARTICLE 9
APPLICABLE LAW

The laws of the State of California shall govern this Agreement, however, in the event that the District receives any State funding for the Project from the State Allocation Board, this Agreement shall also be governed by any applicable laws and/or regulations relating to such State funding from the State Allocation Board (collectively the “Applicable Law”). To the extent that there is any inconsistency between this Agreement and the Applicable Law, or this Agreement omits any requirement of the Applicable Law, the language of the Applicable Law, in effect on the date of the execution of this Agreement, shall prevail.

11.5.7 Any deductibles or self-insured retentions in excess of \$100,000 must be declared to the District and must be reduced to a level deemed acceptable by the District in writing.
