

**NOTIFICATION OF PLANNED PESTICIDE USE  
AND INDIVIDUAL APPLICATION REGISTRY**

Dear Parent or Guardian,

The Healthy Schools Act of 2000 requires all California school districts to notify parents and guardians of pesticides that they expect to apply during the year. We intend to use the following pesticides at your child's school this year:

**Round Up Quik Pro**  
**Surflan**  
**Termidor SC**

**EPA No. 524-535**  
**EPA No. 62719-113-829**  
**EPA No. 7969-210**

You can find more information regarding this pesticide and pesticide use reduction at the Department of Pesticide Regulation's Web site at <http://www.cdpr.ca.gov>

Parents or guardians may request prior notification of individual pesticide applications at the school site. If you would like to be notified every time we apply a pesticide, please complete and return the form below to your school office.

If you have any questions, please contact your school office.

Sincerely,  
Eric Fredrickson  
Superintendent

**REQUEST FOR INDIVIDUAL PESTICIDE APPLICATION NOTIFICATION**

I understand that, upon request, the school district is required to supply information about individual pesticide applications at least 72 hours before application. I would like to be notified before each pesticide application at this school.
